NOTICE OF PUBLIC HEARING
Village of Algonquin,
Illinois Telehealth Services
Program and Utility Bill Fee
NOTICE IS HEREBY GIVEN
that the President and Board
of Trustees of the Village of
Algonquin will hold a Public
Hearing at 7:15 p.m. on
Tuesday, August 19, 2025,
at the Ganek Municipal
Center, 2200 Harnish Drive,
Algonquin, Illinois, to receive
public comment on a
proposed community
telehealth services program.
Under the proposed
program, residential
customer account holders
within the Village of
Algonquin corporate
boundaries would be
automatically enrolled, and
the residents of those
properties would have
access to virtual medical
consultations provided by
licensed providers through a
third-party service, Pathways
Physicians Texas, PLLC. All
residential customer account
holders within the Village of
Algonquin corporate
boundaries would be
charged a \$6.00 monthly
fee, added as a separate line
item to residential water
and/or sewer utility bills.
Said fee would then be
transmitted by the Village
directly to PTXX to pay for
said telehealth services.
Any residential customer
account holders within the
Village of Algonquin
corporate boundaries would
have the opportunity to opt
out of participation of any
time.
The purpose of the hearing
is to inform residents and
receive feedback regarding:
1. The nature and cost of
the program
2. The billing structures
3. The procedures to opt
out of the program
All interested persons are
encouraged to attend the
hearing and offer comments.
Written comments may be
submitted in advance to the
Village Clerk's Office at 2200
Harnish Drive or by email to
villageclerk@algonquin.org.
For more information,
please visit www.algonquin.org/telehealth or call 847-
658-2700.

What is Tap Telehealth?

Quality healthcare without leaving your home

- Access care from home via text, audio, or video
- Receive prescriptions and referrals
- Minimal wait times (~2 minutes)
- Connect with local pharmacies for pickups
- Receive easy follow-ups
- No insurance, copays, appointments

Our mission

At Tap Telehealth, we believe quality care should **be just a text away**—for every home, every age, every community. Together, we're building healthier communities, one household at a time.

Meet the founder

Dr. Dirk Perritt, a board-certified ER physician with **20+ years of experience**, created Tap Telehealth to address the challenges of accessible and affordable care. Inspired by the strain of crowded ERs and high costs, he created a subscription-based model offering immediate, cost-effective access to essential healthcare.

How it works

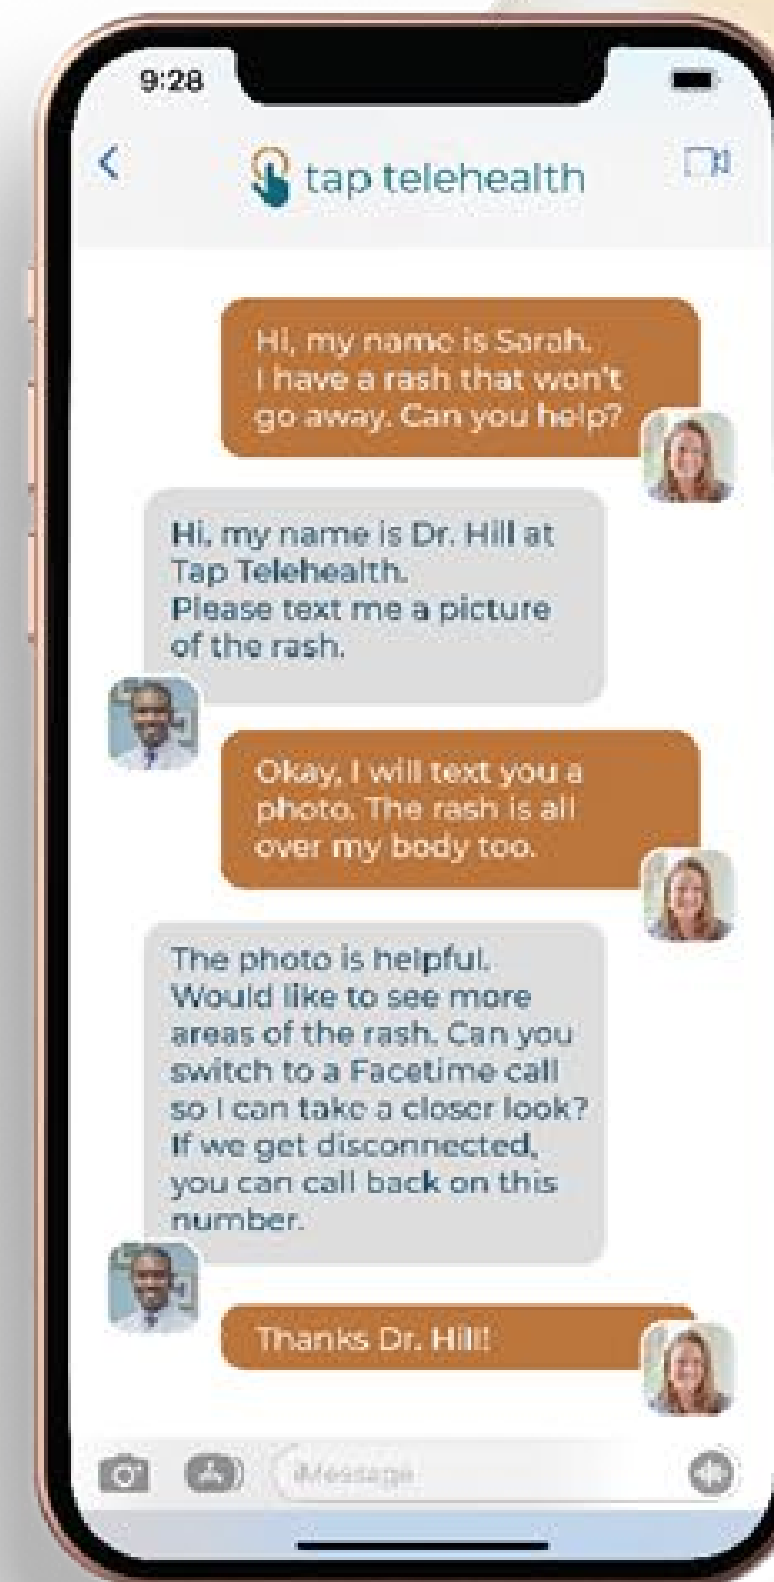

If you need basic healthcare, you can **connect with a provider in minutes!**

Just text the number provided by the Village, and our medical staff will respond quickly.

Hours of Operation

7:00am - 10:00pm CST

7 days a week, including holidays

Am I going to be speaking with a real doctor?

Absolutely. Our experienced medical team is made up of board certified **Medical Doctors, Physician Assistants, and Nurse Practitioners.**

What we treat

- On-demand care for non-emergency issues
- Diagnosis and treatment for common illnesses & minor injuries
- Prescriptions sent to your local pharmacy
- Guidance on when in-person care is needed
- Support for chronic conditions & general health questions
- Referrals for follow-up care when needed

Bringing Tap Telehealth to Algonquin

Tap Telehealth connects with the Village's utility service

Through Tap Telehealth's partnership with affiliated communities, residents receive unlimited access to healthcare services through a **\$6 monthly charge** added to their water utility bill.

Participation in Tap Telehealth is completely optional

Participation is 100% voluntary. If it's not for you, opting out is fast and easy at www.algonquin.org/telehealth or give us a call at 847-658-2700.
